

The Harvest Compassion Center Group Guidelines and Expectations

Objective:

HCC welcomes large groups to volunteer together at one of our centers. All types of groups are welcome (corporate, home school, school classes, networking, and church/youth groups). Our goal is to have your group learn how Harvest Compassion Centers began, see how we serve our community, take a tour, and then put you to work! Our maximum group capacity is twenty individuals, including children, per day. Days and locations available to host your group are:

- **HCC North Phoenix** (4744 E Thunderbird Rd Phoenix 85032)
Monday and Wednesday 1:00-2:30pm
- **HCC West Phoenix** (5608 N 27th Ave, Phoenix 85017)
Monday and Thursday 12:00-1:30pm
- **HCC Maryvale** (4002 N 67th Ave, Phoenix 85033)
Tuesday 12:00-1:30pm

Group Expectations:

Harvest Compassion Centers are open six mornings a week, therefore **we need your help** to replenish product. Prior to your scheduled workday we ask each group to collect items for us. Collecting non-perishable food items, full-size hygiene products, baby products and gently used clothing items are beneficial to HCC. The items that your group collects allow you to see exactly where your donations are going. *Keep in mind the success of your collection will go hand in hand with the amount of work you do.* You will unload and sort the products you bring and see donation the process from start to finish. We've found an hour and a half is the perfect amount of time for your group to get the work done.

All HCC groups must commit to bringing **fifteen grocery bags full** of product. Here is a list of our most needed items:

- Peanut butter and jelly
- Shaving cream and razors
- Cereal and breakfast snacks
- Soup and crackers
- Gently used clothing (clean out your closets!)

Thank you for reaching out to Harvest Compassion Center to serve your community, we look forward to serving alongside your group!

Team HCC
