Congratulations on once again being ranked #85 in the nation by transaction sides, #113 by transaction volume, and remaining yet again in the Billionaire's Club.

Over the past 6 years we have placed in the top movers in the nation in almost every category.

I couldn't be more proud of the progress and the journey we are on together and to create a profit sharing organization that impacts over a thousand collective agents each and every day. These statistics are simply measurables that confirm one thing in my mind— that we are impacting people together, helping them to dream bigger, aim higher, and surpass every conceivable goal they set for themselves. Thank you for being with us, and being 'all in' on the journey.
